- Manufacturer Warranty**
It includes a 1-year warranty by the manufacturer.

PRODUCT OVERVIEW

The ChillCore Series back bar cooler is designed for bars, restaurants, and commercial kitchens that require compact refrigerated beverage storage. This back bar refrigerator operates on 115 V power, draws 1.34 amps, and delivers 155 W, supporting freestanding installation behind service counters.

The unit offers 11.7 cu ft capacity and features three glass doors with self-closing operation. It maintains a temperature range of 31°F to 33°F, controlled through a digital control system with a digital display for temperature monitoring.

Constructed from stainless steel with a black finish, the cooler measures 21" (L) x 53" (W) x 33" (H). It includes six adjustable steel shelves, supporting organized beverage placement and flexible storage layouts in commercial service areas.

The refrigerator includes interior lighting, automatic defrost, a child lock, and UV-filtered glass doors. It is ADA compliant and designed for freestanding use. This unit includes a 1-year warranty by the manufacturer, supporting standard commercial use.
