 It includes a 1-year parts warranty by the manufacturer.

PRODUCT OVERVIEW

The ChefPro Series tandoor oven is suitable for restaurants, catering operations, and other commercial kitchen cooking areas. It features a stainless steel exterior with a silver finish and operates on natural gas or propane gas with a total output of 85,000 BTU. The oven measures 32" (L) x 32" (W) x 36" (H).

The oven features a 16" mouth diameter and a 12" umbrella-shaped burner. A propane conversion kit is included for fuel conversion. The gas-powered design is specified for commercial kitchen tandoor cooking applications.

It includes 10 stainless steel skewers with fitted stoppers (5 × 4 mm round rod and 5 × 6 mm square rod), 2 stainless steel naan bread rods, 1 special steel ring-type naan cushion (gaddi), 1 fitted temperature gauge, 1 stainless steel lid, 1 burner baffle plate, 1 bag of clay balls, 1 lump of repair clay, and 1 bottle of tandoor oil.

The tandoor oven weighs 550 lb and is ETL Listed and NSF/ANSI Certified. It includes a 1-year parts warranty by the manufacturer. The stainless steel construction and included accessories match the listed specifications for restaurant and commercial kitchen use.
