WARRANTY
1 Year Warranty

SPECIAL FEATURES

- ✓ **High Ice Output**
Produces 1000 lb of cube ice in 24 hours, supporting commercial kitchen and restaurant ice requirements.

✓ **Touchscreen Control**
The intelligent touchscreen control panel provides access to operating functions and ice thickness adjustment.

✓ **Insulated Storage**
The ice bin uses insulation cotton with a galvanized sheet casing, providing an insulated storage compartment.
- ✓ **Fast Ice Cycle**
The 12–15 minute ice-making cycle provides regular batches of cube ice during food service.

✓ **Self-Cleaning Function**
The one-touch auto self-cleaning feature supports routine cleaning in commercial kitchen operations.

✓ **Warranty Included**
It includes a 1-year warranty by the manufacturer for the ice maker machine.

PRODUCT OVERVIEW

The ChefPro Series Ice Maker Machine is designed for restaurants, hotels, cafés, and other commercial kitchen operations requiring cube ice production. It produces up to 1000 lb of cube ice in 24 hours with an ice-making time of 12–15 minutes per cycle. Built with stainless steel and PP (polypropylene) in a silver finish, the freestanding unit measures 34.65" (L) x 30.71" (W) x 68.02" (H).

The ChefPro Series Ice Maker Machine features an intelligent touchscreen control panel for operation and includes ice thickness adjustment for different cube ice preferences. The 300-piece ice tray supports continuous ice production, while the one-touch auto self-cleaning function simplifies routine maintenance for commercial kitchen environments.

The ChefPro Series Ice Maker Machine uses an air-cooled condenser and an insulation cotton lining with a galvanized sheet casing for the ice bin. The head unit measures 29.92" W x 24.41" D x 23.62" H, while the ice bin measures 30.71" (W) x 34.65" (D) x 44.4" (H), providing dedicated sections for ice production and storage.

The ChefPro Series Ice Maker Machine is suitable for food service operations requiring a freestanding ice maker with commercial kitchen features. It combines cube ice production, air-cooled operation, touchscreen controls, adjustable ice thickness, and one-touch auto self-cleaning in one unit. It includes a 1-year warranty by the manufacturer.
