PRODUCT OVERVIEW

The undercounter refrigerator (CEUR29) from the CoolEdge series is a commercial undercounter refrigerator designed for commercial kitchens. Constructed from stainless steel with a silver finish, it features one solid swing-style door with a recessed handle for secure access.

Inside, the unit includes one adjustable coated wire shelf for customizable ingredient storage. Digital controls with an LED display allow precise monitoring and adjustment of internal temperatures, which are maintained between 33°F and 41°F by a 1/5 HP bottom-mounted compressor using R290 refrigerant. An auto-defrost system minimizes ice buildup and reduces manual maintenance.

With dimensions 29.12 in (W) x 31.5 in (D) x 36 in (H), this commercial refrigerator is equipped with four 5 in swivel locking casters for mobility and stability. It operates on 115 V, 60 Hz power with a 9 ft NEMA 5-15P plug.

Certified ETL Listed and ETL Sanitation, the unit meets commercial safety and hygiene standards. The warranty coverage of this commercial undercounter refrigerator includes 6 months for parts and labor and 6 months for the compressor.
