PRODUCT OVERVIEW

The ChillCore Series Dry Bakery Showcase is a countertop display unit designed for bakeries, cafés, and foodservice operators in a commercial kitchen. Constructed with stainless steel and glass in a silver and clear finish, it supports structured food display and handling. The rectangular shape with straight glass design provides a clear layout for front counter presentation.

With a capacity of 2.1 cb3, this dry (non-refrigerated) bakery showcase is intended for ambient display of pastries and baked goods. It includes 2 shelves that allow separation of items for organized arrangement during service. The tempered reinforced glass construction supports durability while maintaining visibility of displayed food items.

The unit features a rear sliding door style with 2 glass doors, allowing access from the service side in a restaurant or café setup. The door access type supports loading and serving workflows in a commercial kitchen environment. This configuration aligns with standard food handling requirements in service areas.

This countertop unit measures 16" (W) x 13.4" (D) x 24.3" (H), making it suitable for compact counter spaces. It has a product weight of 37.5 lb, supporting stable placement during use. It includes a 1-year warranty by the manufacturer covering parts and labor.
