SPECIAL FEATURES

- ✓ **Durable Build**
Stainless steel interior and black exterior finish form a strong cabinet structure.

✓ **Clear Product Viewing**
Glass swing door allows easy visibility of displayed items, ideal as a glass door merchandiser.

✓ **Wide Temperature Range**
Operates from -33°F to 40°F for both refrigerated and commercial merchandising use.

✓ **Enhanced Visibility**
LED lighting brightens the interior for clear viewing of products.

✓ **Warranty Coverage**
1 year parts & labor, 1 year compressor warranty provides structured coverage.
- ✓ **Compact Retail Fit**
Single-section, 1-door design fits smaller merchandising areas efficiently.

✓ **Flexible Interior Layout**
Four adjustable PVC-coated shelves allow versatile product arrangement.

✓ **Smooth Handling**
Bottom-mounted compressor ensures accessible components for maintenance.

✓ **Listed Compliance**
ETL Sanitation Listed and cETLus certified for commercial compliance.

PRODUCT OVERVIEW

The IceVault Series IVMR2823C Merchandising Refrigerator with 23 cu ft capacity is designed for stores needing a single-section unit with 1 door, offering a compact footprint for retail display. Its stainless steel interior paired with a black exterior finish and aluminum back exterior provides a sturdy cabinet suitable for daily use. The unit measures 79 in (H) x 28 in (W) x 32 in (D), giving clear guidance for placement.

The glass swing door with a right-side hinge allows customers to view products easily, making it a reliable glass door merchandiser. Its self-closing feature helps limit open-door time, while the keyed lock allows controlled access. Inside, four adjustable PVC-coated shelves allow flexible arrangement, and LED lighting enhances visibility for merchandising items.

This commercial merchandiser refrigerator operates on 115 V, 3.96 A, 60 Hz, and 1 Phase power with a NEMA 5-15P plug for standard commercial outlets. Auto-defrost manages frost buildup, electronic controls support easy temperature adjustment, and the bottom-mounted compressor keeps the refrigeration system accessible. It uses R-290 refrigerant and a 3/7 HP system for consistent cooling performance.

ETL Sanitation Listed and cETLus certified, the unit includes a 1-year parts & labor warranty and a 1-year compressor warranty, providing defined protection.
