SPECIAL FEATURES

- Spacious Storage Capacity**
 13.3 cubic feet capacity provides ample space for a wide range of beverages.
- Precise Temperature Control**
 Digital LED display allows accurate temperature settings between 33°F and 38°F.
- Automatic Defrost**
 Auto defrost system prevents ice buildup for hassle-free operation.
- Bright Interior Lighting**
 Integrated LED lighting improves product visibility and enhances display appeal.
- Easy Installation**
 9 ft power cord offers convenient placement options behind the bar or in service areas.
- Durable Glass Doors**
 Double-pane tempered glass doors block UV light and showcases products for easy selection.
- Reliable Cooling System**
 R290 refrigerant with 1/5 HP compressor delivers reliable cooling.
- Adjustable Shelving**
 Four adjustable coated wire shelves allow easy organization of bottles and cans.
- Certified Safety**
 ETL Listed and ETL Sanitation certified for safe, commercial-grade use.

PRODUCT OVERVIEW

The Back Bar Cooler CEBBC50 from the CoolEdge Series is designed for commercial bars, restaurants, and catering businesses that need reliable beverage storage and display. It is constructed from metal with a black finish and two swing glass doors. The double-pane tempered glass doors block UV light, while LED interior lighting enhances product visibility. With a 13.3 cu. ft. capacity and four adjustable coated wire shelves, it provides flexible storage.

This commercial back bar cooler operates on a powerful 1/5 HP compressor and uses R290 refrigerant. It delivers consistent performance within a temperature range of 33°F to 38°F. A digital control panel with LED display allows precise temperature adjustments, while the auto defrost system ensures smooth, low-maintenance operation. The unit runs at 284 W, 2.66 A, 115 V, and 60 Hz, making it compatible with various electrical setups.

Measuring 49.88" (W) x 24.38" (D) x 38.75" (H), the unit is compact yet spacious. It includes a 9 ft power cord with a NEMA 5-15P plug for easy installation. It is ETL Listed and ETL Sanitation certified for compliance with industry standards. This unit comes with a 6-month parts and labor warranty and a 6-month compressor warranty.
