- ✓ **Reliable Cooling**
1/2 HP compressor with R290 refrigerant maintains safe temperatures.
- ✓ **Standard Power**
Supports 115 V with NEMA 5-15P plug and 6 ft cord for flexible placement.

PRODUCT OVERVIEW

The CEPT90 CoolEdge Series Pizza Prep Table is designed for efficient food preparation in commercial kitchens. Built from stainless steel in a silver finish, it comes with 3 solid swing doors for easy access. The table includes 3 shelves made of coated wire, designed as adjustable for flexible storage. With recessed handles, operation remains convenient and streamlined during busy service.

It features digital controls with an LED display for temperature management. The cooling system works with R290 refrigerant and offers a range of 33°F to 41°F. Powered by a 1/2 HP compressor, the table includes an auto defrost system for hassle-free operation. The installation type is freestanding, and it connects with a 6 ft power cord using a NEMA 5-15P plug at 115 V, 60 Hz.

The overall dimension is 90.37 in (W) x 31.5 in (D) x 43.88 in (H), providing a large workspace. It holds 12 pans of 1/3 size, making it ideal for organized ingredient storage. The unit is fitted with 4 swivel casters of 5 in size, complete with locks, ensuring both mobility and stability when required.

The unit comes with a 6-month parts and labor warranty and a 6-month compressor warranty. Certified by ETL Listed and ETL Sanitation, it ensures compliance with safety and sanitation standards.
