SPECIAL FEATURES

- Bright Product Display**
 LED lighting with two swing glass doors enhances visibility and attracts customer attention.
- Reliable Cooling**
 Digital control panel maintains a precise 32°F to 50°F range for reliable freshness.
- Secure Storage**
 Keyed lock on the doors adds safety for products in retail or foodservice environments.
- Certified Safety**
 ETL Listed and ETL Sanitation Listed for compliance with commercial safety and hygiene standards.
- Flexible Storage**
 Adjustable shelves allow easy arrangement of different product sizes and types.
- Low Maintenance**
 Auto defrost function minimizes manual upkeep in busy commercial operations.
- Easy Mobility**
 Four casters provide smooth repositioning within commercial spaces.
- Sturdy Build**
 Metal construction offers strength and long-lasting reliability for daily use.

PRODUCT OVERVIEW

The ChillCore Series CCRM35 Merchandising Refrigerator is designed for commercial display and storage needs in supermarkets, retail stores, and foodservice establishments. It is built from metal and provides reliability for commercial use. The freestanding unit features two swing, left/right hinged glass doors and LED lighting for enhanced product visibility.

Powered by 115V, 60 Hz, this commercial merchandising refrigerator operates with a digital control panel for precise temperature regulation. It maintains a stable temperature range between 32°F and 50°F to keep products fresh. The system uses an R-290 refrigerant with a 2.82 oz capacity and includes auto defrost for reduced maintenance. A NEMA 5-15P plug offers quick installation, while the keyed lock provides added security for stored items.

Measuring 35.43" (W) x 24.8" (D) x 73" (H), this unit is designed with 4 casters for mobility in commercial environments. The adjustable shelves allow flexible product arrangement. Certified ETL Listed and ETL Sanitation Listed, the unit meets commercial safety and hygiene standards. It is backed by a 6-month warranty.
