SPECIAL FEATURES

- ✓ Durable Construction**
 Stainless steel interior with a black exterior and aluminum back creates a strong structure for daily use in a commercial merchandiser refrigerator.
- ✓ Easy Viewing**
 Glass door merchandiser refrigerator design allows items to be seen clearly for customers.
- ✓ Wide Temperature Range**
 Operates from -33°F to 40°F, suitable for refrigeration and frozen display in retail spaces.
- ✓ Bright Interior Lighting**
 LED lighting improves visibility across both sections.
- ✓ Warranty Coverage**
 1 year warranty provides reliable protection for this commercial merchandiser refrigerator.
- ✓ Large Display Capacity**
 Two sections with 45 cu ft capacity provide space for larger product quantities, ideal for a merchandiser fridge in busy retail areas.
- ✓ Flexible Storage Layout**
 Ten adjustable PVC-coated shelves allow versatile arrangement to accommodate different product sizes.
- ✓ Accessible System Design**
 Bottom-mounted compressor keeps components within reach for routine maintenance.
- ✓ Listed Compliance**
 ETL Sanitation Listed and cETLus certifications confirm compliance with commercial standards.

PRODUCT OVERVIEW

The IceVault Series merchandising refrigerator is designed for commercial foodservice operations handling display and refrigerated storage. It features stainless steel construction with an aluminum back exterior and a black finish. The unit measures 32" (D) x 53" (W) x 79" (H) and provides a capacity of 45 cb3 across 2 sections with 2 glass swing doors and left/right hinge configuration.

This unit includes 10 adjustable shelves made of PVC-coated material, supporting organized display. The temperature range operates from -33°F to 40°F, managed through an electronic control system with auto-defrost. It runs on 115 V, 60 Hz, single phase power with a NEMA 5-15P plug, drawing 6 A with a 0.5 HP bottom-mounted compressor using R-290 refrigerant.

The refrigerator includes self-closing doors, keyed lock, and LED lighting for interior visibility. It is designed for freestanding installation with door access. Shipping dimensions are 33.4" (D) x 55.9" (W) x 85" (H) with a shipping weight of 480.6 lb. It includes a 1 warranty by the manufacturer.

Condition: Missing front and rear grills. Dent on the back and sides. No pallet, no packaging.
