NSF Certified construction supports commercial kitchen hygiene and operational standards.
- ✓ **Warranty Coverage**
It includes a 1-year warranty by the manufacturer for manufacturing coverage.

PRODUCT OVERVIEW

The ProKitchen Series Utility Trolley Cart is a commercial kitchen transport unit designed for restaurants, hotels, catering services, and janitorial operations. It is used for handling bus tubs, dry ingredients, and janitorial supplies in commercial kitchen and service environments.

The unit is constructed using polypropylene plastic material with a black finish. It features a 3-shelf structure that supports organized placement of items used in food service and utility operations. The shelving design supports structured handling across multiple service areas.

This utility trolley cart has dimensions of 32.85" (L) x 16" (W) x 37.85" (H) and supports a loading capacity of 300 lb. It is designed for transporting operational supplies within commercial kitchen workflows and service stations.

It is equipped with 4 casters (5 in size), including 2 casters with brakes for controlled positioning. The unit includes NSF Certified construction and comes with a 1-year warranty by the manufacturer.
