Operates on 115 V, 60 Hz, single-phase power, drawing 4.1 A, with a NEMA 5-15P plug for quick setup.
- ✓ **Warranty Coverage**
1-year parts and labor warranty and 1-year compressor warranty for dependable operation.

PRODUCT OVERVIEW

The IceVault Series IVBBC60 Back Bar Cooler is a commercial refrigeration solution designed for bars, restaurants, and catering operations. Constructed from vinyl-coated steel with a black exterior and a stainless steel interior, this freestanding cooler supports long-lasting use. It features 2 sliding glass doors with a keyed lock for secure storage and a self-closing feature. The unit offers 15 cu. ft. of storage capacity, providing ample space for high-volume use.

Equipped with a 3/7 HP compressor and R290 refrigerant, this commercial beverage cooler fridge maintains a temperature range of 33°F to 40°F. It operates on 115 V, 60 Hz, single-phase power, drawing 4.1 amps, and uses a NEMA 5-15P plug. Four adjustable PVC-coated shelves allow flexible storage. The LED lighting enhances visibility for quick access during busy service hours. This unit measures 60.8" (W) x 24.4" (D) x 35.6" (H) and fits easily into commercial spaces.

It is ETL Listed and ETL Sanitation Listed, meeting commercial safety and hygiene standards. It comes with a 1-year parts and labor warranty and a 1-year compressor warranty for reliability.
