SPECIAL FEATURES

- Spacious Storage**
 49 cu. ft. capacity provides ample room for large quantities of frozen products.
- Flexible Shelving**
 Eight adjustable shelves allow efficient storage across two sections.
- Secure Storage**
 Keyed locks on doors provide added security.
- Easy Mobility**
 Four swivel casters, two with brakes, allow smooth movement and stable placement.
- Low Maintenance**
 Built-in auto-defrost system minimizes ice buildup and manual maintenance.
- Smart Doors**
 Two swing-style self-closing doors allow easy entry while minimizing cold air loss.
- Precise Temperature**
 Maintains a consistent -13°F to 5°F range for optimal food safety.
- Durable Build**
 Stainless steel construction provides long-lasting durability and easy cleaning.
- Reliable Cooling**
 Bottom-mounted compressor with R-290 refrigerant delivers consistent freezing performance.
- Certified Safety**
 ETL Listed, ETL Sanitation Listed, and DOE Certified for commercial use.

PRODUCT OVERVIEW

The ChillCore Series CCRFG54 is a commercial reach-in freezer designed for commercial kitchens, convenience stores, and catering operations that require reliable low-temperature storage. This unit features 2 self-closing doors to maintain the internal temperature efficiently. It has a total capacity of 49 cubic feet and includes 2 sections.

This commercial reach-in freezer comes with 8 shelves that are adjustable to allow flexible storage options. The bottom-mounted compressor operates on R-290 refrigerant, delivering a temperature range of -13°F to 5°F. The unit includes digital temperature control, auto defrost, magnetic door gaskets, and a keyed lock for secure access.

The unit is made with stainless steel, and its external dimensions are 54.5 in (W) × 31.5 in (D) × 83.27 in (H), ideal to be placed in compact setups. It is equipped with 4 swivel casters, two with brakes, and LED lighting for product visibility. The unit runs on 110 V, 60 Hz, drawing 598 W, for effective cooling. This freezer carries ETL Listed, ETL Sanitation, and DOE certifications and comes with a 1-year warranty.
