Compressor: 5 Year

SPECIAL FEATURES

- ✓ **High Ice Output**
Produces up to 550 lb of half cube ice every 24 hours for restaurant beverage service and food handling applications.
- ✓ **Adjustable Thickness**
The adjustable ice thickness feature supports different beverage and hospitality service requirements.
- ✓ **Self-Clean Function**
The self-clean system supports routine cleaning procedures in foodservice operations.
- ✓ **Digital Control System**
Digital controls and a digital display provide operational information for chefs and commercial kitchen staff.
- ✓ **Side Air Filter**
A side-located air filter is integrated for maintenance access in commercial kitchen environments.
- ✓ **Certified Compliance**
The unit is certified to cETLus, ETL Sanitation, and NSF standards and includes a 1-year parts and labor warranty by the manufacturer with a 5-year compressor warranty.

PRODUCT OVERVIEW

The ProKitchen Series Air Cooled Modular Ice Machine Head is designed for restaurants, cafés, bars, and commercial kitchens requiring high-volume ice production. It produces up to 550 lb of half cube ice every 24 hours and features an air-cooled condenser with R290 refrigerant. The stainless steel construction supports foodservice environments. Its dimensions are 29.9" (W) x 24" (D) x 23" (H).

The ProKitchen Series Air Cooled Modular Ice Machine Head operates on 110 V, single-phase power at 60 Hz with a wattage rating of 1240 W. It uses a NEMA 5-15P plug and includes an 84-inch power cord. Digital controls and a digital display provide operational information for commercial kitchen staff. The freestanding design is suitable for ice production stations.

The ProKitchen Series Air Cooled Modular Ice Machine Head produces half cube ice with adjustable ice thickness settings for beverage and foodservice applications. A side-located air filter is incorporated for maintenance access. The self-clean system supports routine cleaning in restaurant and hospitality environments.

The ProKitchen Series Air Cooled Modular Ice Machine Head features an air-cooled condenser paired with R290 refrigerant as part of the refrigeration system. The unit is certified to cETLus, ETL Sanitation, and NSF standards for commercial foodservice use. It includes a 1-year parts and labor warranty by the manufacturer and a 5-year compressor warranty.
