

Ice Bath Carts

SPECIFICATION

AyrKing's IB4224B241 is designed for transporting and serving perishable ingredients during food preparation, catering operations, and outdoor bar service. It offers a simple, cost-effective alternative to high-maintenance refrigerated units while providing reliable cold holding performance. Constructed with double-wall, commercial-grade stainless steel and foam-filled insulation, the cart helps maintain optimal temperatures for proteins and beverages over extended periods. Standard features include a heavy-duty drain with tubing for easy removal of melted ice and an integrated thermometer to support food safety monitoring.

*Pans shown, but not included

ADVANTAGES

- ◆ Keeps your food items cold longer
- ◆ IB4224B241S easily slides under AyrKing's 4 pan sifter table, the BBSU10032 and BBSUL8635
- ◆ IB4224B241T is height compatible with work surfaces at 36"
- ◆ IB4224B241T has space to fit an additional 2 pan ice bath cart underneath
- ◆ Saves valuable kitchen space
- ◆ Simplifies operations by keeping the food item close to the breeding station
- ◆ Designed for easy cleaning by simply draining the water
