- Sliding Door Access**
 Sliding glass doors with 2-door configuration support service-side access during food handling.
- Certified Warranty**
 cETLus Listed, ETL Sanitation Listed, and NSF Certified specifications with a 1-year warranty by the manufacturer covering parts and labor.

PRODUCT OVERVIEW

The ChillCore Series Dry Bakery Display Case is a freestanding unit designed for bakeries, cafés, and foodservice operators in a commercial kitchen. Constructed with stainless steel and glass in a silver, black, and clear finish, it supports structured food display and handling. The rectangular shape provides a clean layout for front-of-house presentation.

With a capacity of 18.7 cb3, this dry (non-refrigerated) display case is intended for ambient storage of baked goods and pastries. It includes 3 adjustable glass shelves that allow organized placement and flexibility in arranging items. The glass door construction supports visibility, while brilliant LED lighting on the top, under each shelf, and at the bottom provides illumination across all display levels.

The unit features a sliding door style with 2 glass doors, allowing access from the service side. The access type supports loading and serving workflows in a restaurant or café setup. It also includes 4 casters with 2 brakes, supporting mobility and positioning within a commercial kitchen or service area.

This freestanding unit measures 48.8" (W) x 27" (D) x 55.5" (H), making it suitable for larger display areas. It operates on 115 V, 1 phase, 13.7 A, and 60 Hz electrical specifications. It has a product weight of 392.4 lb and is cETLus Listed, ETL Sanitation Listed, and NSF Certified, indicating compliance with commercial standards. It includes a 1-year warranty by the manufacturer covering parts and labor.
