Door Parts

SPECIAL FEATURES

- ✓ **Advanced Insulation**
4-inch polyurethane with R-33 thermal resistance keeps freezing temperatures stable.
- ✓ **Secure Access**
Solid swing door with keyed lock, self-closing design, heating wire, and pressure relief vent.
- ✓ **Eco-Friendly Materials**
CFC and HFC-free construction supports environmentally safe operation.
- ✓ **Certified Safety**
UL Listed, NSF Listed, DOE compliant for commercial refrigeration standards.
- ✓ **Warranty Coverage**
10-year panel warranty and 1-year parts warranty on doors.
- ✓ **Durable Build**
24-gauge white galvanized steel panels with floor provide long-lasting strength.
- ✓ **Simple Assembly**
Modular cam-lock and tongue & groove panels allow precise alignment and fast setup.
- ✓ **Reliable Power**
Hardwired connection provides steady electricity supply.
- ✓ **Stable Flooring**
Floor supports heavy loads and simplifies cleaning.

PRODUCT OVERVIEW

The PolarBox Series Walk-In Freezer Box is ideal for cafes and commercial kitchens, providing reliable storage for perishable items. It is made in America with white galvanized steel panels of 24-gauge thickness, offering long-term durability and resistance to corrosion.

The overall dimensions are 10 ft (W) x 12 ft (D) x 7 ft (H), providing ample interior space. This commercial walk-in freezer box features a solid swing door with a height of 77 inches. It includes a keyed lock for secure access and a modular cam-lock, tongue and groove hinge system for precise alignment. The self-closing, flush-mounted door supports consistent internal temperatures, and the heating wire with pressure relief vent maintains safety during operation.

The unit features 4-inch polyurethane insulation and R-33 thermal resistance to maintain efficient cooling. All materials are CFC & HFC free, supporting environmentally responsible construction. This commercial walk-in freezer box is hardwired for reliable commercial electrical connection.

This freezer box carries UL-listed US, NSF-listed, and DOE certifications for safety and sanitation. The panels have a 10-year warranty, while the doors are covered for 1 year, giving added support from the manufacturer.
