PRODUCT OVERVIEW

The ChefPro Series Shelving Kit is designed for commercial kitchens, stock rooms, warehouses, garages, and other dry environments requiring adjustable storage. It is constructed from steel with a chrome finish and silver color, providing a sturdy and corrosion-resistant structure.

The kit includes five adjustable shelves, each measuring 24" x 42", supported by 74" posts, allowing spacing to be customized according to storage needs. The overall dimensions are 42" (L) x 24" (W) x 74" (H), providing vertical storage while conserving floor space.

The shelving kit is NSF certified, suitable for food-handling environments, and includes a 1-year warranty by the manufacturer.
