PRODUCT OVERVIEW

The ProKitchen Series Removable Backsplash is designed for restaurants, catering units, and commercial kitchen food preparation areas. Constructed from 430 stainless steel with a silver finish, it measures 71" (L) x 1" (W) x 5" (H). The backsplash features 18-gauge stainless steel construction suitable for commercial kitchen applications.

This removable backsplash is compatible with undercounter coolers, freezers, worktables, and enclosed cabinets. It is intended for use across various commercial kitchen equipment used in food preparation, storage, and service operations.

The unit features a removable and bolt-on installation type with a pre-drilled design. This structure supports attachment to compatible equipment while allowing removal for maintenance or cleaning requirements.

Anti-corrosion and water-proof features are included for commercial kitchen environments exposed to frequent washing and moisture. The backsplash is NSF Listed and includes a 1-year warranty by the manufacturer.
