## PRODUCT OVERVIEW

The ChefPro Series Shelving Starter Kit is suitable for restaurants, foodservice operations, and commercial kitchen storage. It features a green epoxy-coated steel wire construction with a mobile design. Overall dimensions are 48" (L) x 24" (W) x 60" (H). The unit includes 4 shelves, 4 posts, and 4 casters.

This shelving starter kit includes standard shelf panels measuring 24" x 48". Each shelf supports 600 lbs, with a total capacity of 1,320 lbs. The 5 in casters provide mobility for storage applications in kitchens, walk-ins, dry environments, and moist environments.

The unit features 4 posts with a 1 in post diameter and a 54 in post height. It includes 16 pairs of split sleeves for shelf assembly. The green epoxy finish is specified for use in all environments, dry environments, kitchens, moist environments, and walk-ins.

The shelving unit is part of the ChefPro Series and is NSF Certified. It includes a 1-year limited warranty by the manufacturer. The unit is supplied as a mobile shelving starter kit for commercial kitchen storage and organization.
