SPECIAL FEATURES

- ✓ **Large Capacity**
The 10 cb3 capacity supports food display and storage in commercial kitchen and restaurant counters.
- ✓ **Ventilated Cooling**
Ventilated cooling with automatic defrost and bottom mounted compressor supports temperature regulation.
- ✓ **Back LED Lighting**
LED lighting with back light board supports visibility in café and restaurant display areas.
- ✓ **Durable Material**
Powder coated steel with double tempered glass supports structure in food handling environments.
- ✓ **Mobile Placement**
4 casters with 2 brakes support movement and positioning in commercial kitchen layouts.
- ✓ **Certified Unit**
cETLus Listed, ETL Sanitation Listed, and NSF Certified with a 1-year warranty by the manufacturer.

PRODUCT OVERVIEW

The ChillCore Series Refrigerated Display Case is a freestanding open air / refrigerated unit designed for commercial kitchens, bakeries, cafés, and food retail environments. It operates on 110 V, 1 phase, 60 Hz with a 7.5 A electrical load and uses ventilated cooling for structured air circulation across the display area.

The body is constructed using powder coated steel and glass with a black finish and double tempered glass panels. It features a rectangular format measuring 84.8" (W) x 37.5" (D) x 33.2" (H), designed for low-profile installation in commercial food display counters. The unit supports organized placement of food items within a 10 cb3 capacity display space.

Temperature is maintained between 35.6°F and 50°F through a digital temperature controller with display. The system includes automatic defrost and a removable water tray for condensate handling during operation. A bottom-mounted compressor supports refrigeration performance in continuous commercial use.

This display case includes LED lighting with a back light board for visibility across the full display area. It is equipped with 4 casters with 2 brakes for movement and positioning in service layouts. The unit is cETLus Listed, ETL Sanitation Listed, and NSF Certified and includes a 1-year warranty by the manufacturer.
