SPECIAL FEATURES

- ✓ **Pastry Display Design**
Dry (non-refrigerated – pastry version) configuration supports ambient display of pastries in a commercial kitchen.

✓ **LED Lighting**
LED lighting on the top and undershelf supports illumination of displayed items in cafés and restaurants.

✓ **Certified Standards**
cETLus Listed, ETL Sanitation Listed, and NSF Certified specifications align with commercial kitchen requirements.
- ✓ **Curved Glass Structure**
Curved shape with glass construction supports visibility of bakery items during service.

✓ **Dual Hinged Doors**
Two hinged glass doors support direct access for loading and serving in food handling operations.

✓ **Warranty Coverage**
It includes a 1-year warranty by the manufacturer covering parts and labor.

PRODUCT OVERVIEW

The ChillCore Series Bakery Display Case is a countertop unit designed for bakeries, cafés, and foodservice operators in a commercial kitchen. Constructed with stainless steel and glass in a silver and clear finish, it supports structured food display and handling. The curved shape provides a distinct presentation style for front counter service areas.

With a capacity of 5.2 cb3, this dry (non-refrigerated – pastry version) display case is intended for ambient storage of pastries and baked goods. It includes 2 shelves that allow organized placement and separation of items during service. The glass door construction supports visibility, while LED lighting on the top and undershelf provides illumination of displayed items.

The unit features a hinged door style with 2 glass doors, allowing direct access for loading and serving. It includes plates and a light switch as part of its features, supporting operational use in a commercial kitchen. The access type supports standard food handling workflows in cafés and restaurant counters.

This countertop unit measures 38.9" (W) x 17.9" (D) x 20.3" (H), making it suitable for wider counter placement. It operates on 115 V, 1 phase, 7.7 A, and 60 Hz electrical specifications. It has a product weight of 82.6 lb and is cETLus Listed, ETL Sanitation Listed, and NSF Certified, indicating compliance with commercial standards. It includes a 1-year warranty by the manufacturer covering parts and labor.
