PRODUCT OVERVIEW

The IceVault Series Undercounter Refrigerator IVUR27 is among the best rated undercounter beverage refrigerators designed for use in restaurants, hotels, and catering operations. It offers 5 cu. ft. of refrigerated storage in a compact undercounter format, ideal for keeping ingredients accessible during food preparation.

This commercial undercounter beverage refrigerator features a stainless steel and aluminum exterior in silver color with a stainless steel interior for durability and easy maintenance. A solid swing door with a self-closing feature and a recessed handle provides convenient access. One adjustable PVC-coated shelf helps in efficient organization for storage. The unit maintains temperatures between 33°F and 40°F using R290 refrigerant.

It operates on 115 V, 1-phase, 60 Hz power with a 1/3 HP compressor, drawing 1.8 A. Four heavy-duty casters with brakes allow mobility and stable positioning in busy kitchen environments. The refrigerator measures 27 in (W) x 29.5 in (D) x 35.2 in (H) for easy installation in limited commercial spaces. It comes with a 1-year parts and labor warranty and a 1-year compressor warranty for reliability. It is ETL listed and ETL sanitation listed for compliance with industry standards.
