- ✓ **Flexible Storage**
Four adjustable epoxy-coated wire shelves for organized product placement.
- ✓ **Automatic Defrost**
Auto defrost system supports consistent performance.
- ✓ **Bright Interior**
LED lighting improves product visibility.

PRODUCT OVERVIEW

The CoolEdge Series Merchandising Freezer (CEMF27.5) offers 17.7 cu ft of storage capacity with a single glass swing door, allowing clear product visibility. Inside, four adjustable epoxy-coated wire shelves support organized frozen storage.

This unit operates on 115 V, 60 Hz, 5.3 A, 550 W, powered by a bottom-mounted 3/4 HP compressor using R290 refrigerant. Temperature is managed through a digital control system with LED display, maintaining a consistent range from 0°F to -8°F. An auto defrost function ensures reliable performance.

The freezer measures 27.5 in (W) × 32.63 in (D) × 80.37 in (H) and comes with a 9 ft power cord and NEMA 5-15P plug. For mobility and secure placement, it is equipped with four casters, including adjustable front-locking casters.

Additional features include LED interior lighting and ETL Sanitation certification. The unit is designed for freestanding installation and is backed by a 6-month Parts & Labor warranty and a 6-month Compressor warranty.
