- ✔ **Warranty Included**
It includes a 90-day warranty by the manufacturer.

PRODUCT OVERVIEW

The ServeCraft Series Side Splash Guard for Kitchen Sink is designed for commercial kitchens using kitchen sinks, hand wash sinks, prep sinks, and compartment sinks. It is made from 304 stainless steel with a silver finish and features a rectangular shape with rounded edges. The wall mount design includes a 1.5" mounting flange depth and waterproof construction for sink-side installation.

The splash guard measures 15" (L) x 12" (W) and features a thickness of 0.02". It is installed using a screw mount configuration for wall-mounted sink applications. The stainless steel construction supports use in food handling areas and is suitable for commercial kitchen sink stations.

The unit is designed to fit alongside commercial kitchen sinks to help contain water within the sink area. It includes two splash guards per pack for multi-side installation or replacement. Shipping dimensions are 16.93" (W) x 13.86" (D) x 1.97" (H). Product weight is 2.64 lb.

This side splash guard is part of the ServeCraft Series and is suitable for kitchen sinks, hand wash sinks, prep sinks, and compartment sinks. It includes a 90-day warranty by the manufacturer.
