PRODUCT OVERVIEW

The ProKitchen Series Removable Backsplash is designed for restaurants, foodservice operations, and commercial kitchen work areas. Constructed from 430 stainless steel with a silver finish, it measures 27" (L) x 1" (W) x 5" (H). The backsplash features 18-gauge stainless steel construction suitable for commercial kitchen applications.

This removable backsplash is compatible with undercounter coolers, freezers, worktables, and enclosed cabinets. The design allows it to be used with various commercial kitchen equipment where an additional rear barrier is required.

The unit features a removable and bolt-on installation design. Its pre-drilled construction supports attachment to compatible equipment, while the removable format allows repositioning or replacement when required.

Designed for commercial kitchen use, the backsplash includes anti-corrosion and water-proof features. It is NSF Listed and includes a 1-year warranty by the manufacturer.
