1 Year Warranty

SPECIAL FEATURES

- ✓ **Medium Ice Capacity**
The bin supports up to 98 lb of ice storage for beverage service operations in commercial kitchens.
- ✓ **304 Stainless Steel Construction**
Constructed with 18-gauge and 20-gauge 304 stainless steel for durability and commercial use.
- ✓ **NSF Certified Design**
NSF Certified for use in commercial kitchen and beverage service environments.
- ✓ **Insulated Body**
Insulation cotton filling supports ice retention during service periods in bar and kitchen environments.
- ✓ **Sliding Lid Access**
Sliding stainless steel lid supports controlled access to stored ice.
- ✓ **Warranty Included**
It includes a 1-year warranty by the manufacturer.

PRODUCT OVERVIEW

The ProKitchen Series Underbar Ice Bin is designed for commercial kitchens, bars, cafés, and beverage service stations requiring organized ice storage and efficient underbar workflow. Constructed from 304 stainless steel with galvanized steel legs, it features a freestanding design with a silver finish suitable for beverage preparation environments.

The unit is built with a leakproof insulated structure using insulation cotton filling to support ice retention during service operations. It offers a bin storage capacity of up to 98 lb of ice, supporting medium-volume beverage service in commercial kitchen and bar setups.

The ice bin includes a sliding stainless steel lid for controlled access and a 3-inch backsplash for improved ice handling in service areas. The bowl is constructed with 18-gauge 304 stainless steel for the bowl and top, while 20-gauge 304 stainless steel is used for the back and body to support structural durability.

The unit measures 30" (L) x 18.12" (D) x 33.12" (H) and includes plastic bullet feet along with H-shape leg bracing for freestanding stability. It is NSF Certified for commercial use and includes a 1-year warranty by the manufacturer.
