- ✓ **Equipment Compatibility**
Compatible with undercounter coolers, freezers, worktables, and enclosed cabinets used in foodservice operations.
- ✓ **Removable Structure**
Removable and bolt-on installation type allows repositioning or removal based on kitchen layout requirements.
- ✓ **NSF Listed Standard**
NSF Listed certification is included for commercial kitchen use, and it includes a 1-year warranty by the manufacturer.

PRODUCT OVERVIEW

The ProKitchen Series Removable Backsplash is designed for restaurants, catering units, and commercial kitchen food preparation areas. Constructed from 430 stainless steel with a silver finish, it measures 48" (L) x 1" (W) x 5" (H). The backsplash features 18-gauge stainless steel construction suitable for commercial kitchen environments.

This removable backsplash is compatible with undercounter coolers, freezers, worktables, and enclosed cabinets. It supports installation across a range of commercial kitchen equipment used for food preparation, storage, and service workflows.

The unit features a removable and bolt-on installation type with a pre-drilled design. This structure supports attachment to compatible equipment while allowing removal during maintenance or layout changes.

Anti-corrosion and water-proof features are included for commercial kitchen environments exposed to frequent washing and moisture. The backsplash is NSF Listed and includes a 1-year warranty by the manufacturer.
