SPECIAL FEATURES

- Large Capacity**
 17.06 cb3 capacity supports organized food display in commercial kitchen and restaurant service areas.
- Digital Controller**
 Equipped with a digital controller with dual probes for temperature monitoring between 35.6°F to 41°F.
- Certified Standards**
 cETLus listed and NSF certified for commercial kitchen compliance requirements.
- Ventilated Cooling**
 Uses ventilated cooling with rear air intake and rear air discharge for consistent airflow.
- Mobility Design**
 Includes 4 casters for repositioning within commercial kitchen layouts.
- Warranty Coverage**
 Includes a 1-year warranty by the manufacturer for parts and labor.

PRODUCT OVERVIEW

The ChillCore Series Refrigerated Display Case is a freestanding open air / refrigerated unit designed for commercial kitchens, bakeries, cafés, and food retail environments. It operates on 115 V, 1 phase, 60 Hz with a 7.8 A load and uses a 1/2 HP compressor with R290 refrigerant for cooling performance in food display applications.

The structure is made from stainless steel and glass in a black brushed finish with curved tempered safety glass. It features a compact curved design measuring 47.25" (W) x 31.5" (D) x 59" (H), suitable for commercial floor-based refrigerated merchandising. Rear sliding doors with 2 doors support access from the service side.

Temperature is maintained between 35.6°F and 41°F using a digital controller with dual probes. The system includes automatic evaporation defrost, ventilated cooling, anti-corrosion coated evaporator, and rear air intake and discharge for airflow management in commercial environments.

This unit includes LED lighting and a night curtain for controlled display coverage. It is supported by 4 casters for mobility and positioning. The display case is cETLus Listed and NSF Certified and includes a 1-year parts and labor warranty.
