SPECIAL FEATURES

- ✓ **High Ice Production**
Produces up to 80 lb of cube ice in 24 hours for continuous commercial use.

✓ **Compact Design**
Fits neatly under counters, saving space in busy work areas.

✓ **Efficient Refrigerant System**
Operates with eco-friendly R-290 refrigerant for reliable cooling efficiency.

✓ **Reliable Warranty**
Backed by a 1-year warranty for assured long-term use.
- ✓ **Ample Bin Storage**
Built-in storage bin holds 30 lb of ice for quick and easy dispensing.

✓ **Durable Construction**
Made of stainless steel for strength, corrosion resistance, and long life.

✓ **Certified Safety**
DOE Certified for energy efficiency and reduced operating costs.

✓ **Customizable Ice Options**
Adjustable cube sizes and auto self-cleaning feature simplify operation and maintenance.

PRODUCT OVERVIEW

The ChillCore Series CCUIM80 is a commercial undercounter ice machine with a bin designed for restaurants, cafés, and bars that need a steady ice supply. This unit produces up to 80 lbs. of cube ice in 24 hours and stores up to 30 lbs. in its integrated bin for a constant supply during peak hours.

Operating on 115 V with a 60 Hz frequency, it features an air-cooled condenser and uses eco-friendly R-290 refrigerant for energy efficiency. The unit includes adjustable ice size options and an auto self-cleaning function for easy maintenance.

This commercial undercounter ice machine has overall dimensions of 15 in (W) × 21 in (D) × 33 in (H) and is made with stainless steel for durability. This model is DOE-certified, providing dependable cooling and smooth operation with commercial safety compliance. The unit comes with a 1-year warranty for assured performance.
