## Medal Equipment 72" Work Top Freezer, 19.6 Cu. Ft., 3 Doors, Stainless Steel

(Model: MXWTF72)

★★★★★ (4.7/5)

**Buy Now**

### WARRANTY

**2 Years Parts and Labor Warranty**

## SPECIAL FEATURES

- **Fits Under Work Surfaces**
  The 71.75 inch width and 41.5 inch height let the freezer sit in a standard worktop position in a commercial kitchen line.
- **Easy Access With Gloves**
  Recessed handles and self-closing doors with a greater than 90 degree stay-open feature support fast loading during service.
- **Mobility For Cleaning**
  Four 4-inch casters allow staff to move the unit for floor cleaning and maintenance in a restaurant kitchen.
- **Holds Frozen Stock**
  The 19.6 cubic foot capacity across three doors provides organized storage for frozen ingredients between deliveries.
- **Stable Temperature Range**
  Digital temperature control maintains -10°F to 10°F, and auto-defrost helps keep the cabinet operating consistently.
- **Certified And Warranted**
  cETLus and ETL Sanitation listings support code compliance, and it includes a 2-year warranty by the manufacturer.

## PRODUCT OVERVIEW

The Medal Equipment 71.75" Worktop Freezer is a three-door, stainless steel unit built for commercial kitchens that need extra frozen storage and a usable work surface in one footprint. It suits restaurants, cafes, and other food service operations where counter space is limited and quick access to frozen ingredients matters.

The cabinet holds 19.6 cubic feet across three solid doors with a right or left hinge and recessed handles. Self-closing doors with a greater than 90 degree stay-open feature help with loading and unloading, while the digital temperature control holds the interior between -10°F and 10°F. Auto-defrost keeps the evaporator clear, and the magnetic door gaskets help maintain a consistent seal.

The exterior is stainless steel in silver, and the interior is 201 stainless steel with three plastic coated steel shelves. The unit measures 71.75 inches wide, 30.5 inches deep, and 41.5 inches high, with an interior of 67.5 inches wide, 19.75 inches deep, and 23.5 inches high. It runs on 115 volts, 60 hertz, single phase power with a NEMA 5-15P plug and uses R290 refrigerant. Four 4-inch casters allow the unit to be moved for cleaning. It is cETLus Listed and ETL Sanitation Listed.

The product weighs 236 pounds and ships at 353 pounds. It includes a 2-year warranty by the manufacturer.
