SPECIAL FEATURES

- ✓ Ventilated Cooling**
 Ventilated cooling with hot air flow from the front and both sides supports consistent temperature distribution across the display area.
- ✓ LED Visibility**
 Top and under-shelf LED lighting supports clear product presentation inside cafés, bakeries, and food retail counters.
- ✓ Mobile Design**
 Four casters with two brakes support movement and positioning in commercial kitchen and food service layouts.
- ✓ Adjustable Storage**
 Four frosted glass shelves with adjustable configuration support structured food display in commercial kitchen and retail environments.
- ✓ Digital Control**
 Digital temperature controller with display provides direct temperature monitoring within 35.6°F to 50°F operating range.
- ✓ Certified Build**
 cETLus Listed, ETL Sanitation Listed, and NSF Certified structure supports compliance in commercial food handling environments.

PRODUCT OVERVIEW

The ChillCore Series Vertical Merchandiser is a refrigerated display case designed for commercial kitchens, cafés, bakeries, and food retail environments. It features a freestanding, vertical open-air / refrigerated display structure with ventilated cooling and hot air flow from the front and two sides for consistent internal temperature distribution. The unit operates on 220 V, 1 phase, 60 Hz with an 11 A electrical draw.

Constructed with powder coated steel and tempered glass on two sides, the interior uses mirror stainless steel 304 with frosted glass shelves. It includes 4 adjustable shelves supported by LED lighting at the top and under each shelf for product visibility. The rectangular design measures 60.2" (W) x 29" (D) x 79.9" (H) and supports organized food display in commercial settings.

The temperature range is 35.6°F to 50°F with a digital temperature controller and display for monitoring. It features automatic defrost, automatic condensate evaporation, and a bottom-mounted compressor for refrigeration management. The unit comes with 4 casters, including 2 with brakes, for movement and positioning in food service areas.

This vertical merchandiser includes a front curtain and uses tempered glass construction for visibility. It carries cETLus Listed, ETL Sanitation Listed, and NSF Certified compliance standards. It includes a 1-year warranty by the manufacturer.
