- **Equipment Compatibility**
  Compatible with refrigerated self-service buffet tables and cold food tables used in commercial kitchens.
- **Clear Visibility**
  Glass construction supports clear visibility of food items in commercial kitchen and cafeteria settings.
- **Easy Cleaning**
  Smooth glass and stainless steel surfaces support cleaning in commercial buffet and cafeteria operations.
- **Certified Construction**
  cETLus Listed and ETL Sanitation Listed certifications are included for commercial foodservice compliance.

PRODUCT OVERVIEW

The ProKitchen Series Sneeze Guard is designed for commercial kitchens, buffet counters, cafeterias, and self-service food display applications. It features a 4-sided food protection canopy style with a clear glass structure and stainless steel posts. The unit measures 36" (L) x 29.5" (W) x 16" (H) and is built with a stainless steel frame for placement over refrigerated self-service buffet tables and cold food tables.

The ProKitchen Series Sneeze Guard is constructed with clear glass panels supported by stainless steel posts. It provides open access without door configuration, supporting continuous food display in commercial kitchen environments. The unit is designed for compatibility with refrigerated self-service buffet tables and cold food tables used in foodservice operations.

The ProKitchen Series Sneeze Guard features a canopy shape with 4-sided food protection coverage. The easy-to-clean design supports routine cleaning in buffet and cafeteria settings. The structure does not include lighting or door mechanisms, maintaining an open serving format suitable for commercial food display counters.

The ProKitchen Series Sneeze Guard is cETLus Listed and ETL Sanitation Listed, supporting foodservice compliance requirements. It includes a stainless steel frame with glass panels and a 1-year warranty by the manufacturer. The unit is intended for countertop or buffet installation in commercial kitchen environments requiring food protection barriers.
