PRODUCT OVERVIEW

The ProKitchen Series Sheet / Bun Pan is designed for commercial kitchens, bakeries, restaurants, and food preparation areas requiring structured baking operations. Constructed with aluminum in a silver finish, it features a tapered shape design for baking workflows. The pan measures 17.87" (L) x 25.62" (W) x 1.12" (H) and is suitable for full-size baking applications in commercial foodservice environments.

The ProKitchen Series Sheet / Bun Pan is manufactured using 19 gauge aluminum for commercial baking use. It is dishwasher safe for cleaning in foodservice operations. The full-size configuration supports standardized baking workflows in commercial kitchens, bakeries, and catering environments.

The ProKitchen Series Sheet / Bun Pan is designed for all baking applications in commercial kitchen environments. The tapered shape supports structured food handling during baking preparation processes. The aluminum construction supports consistent use in bakery and foodservice operations.

The ProKitchen Series Sheet / Bun Pan is NSF Certified and includes a 1 year manufacturer warranty. It is part of the ProKitchen Series used in commercial baking environments. The unit is supplied as 1/each for structured food preparation workflows.
