- ✓ **Removable Installation**  
Removable and bolt-on installation type supports attachment and removal based on kitchen layout requirements.
- ✓ **NSF Listed Standard**  
NSF Listed certification is included for commercial kitchen use, and it includes a 1-year warranty by the manufacturer.

## PRODUCT OVERVIEW

The ProKitchen Series Removable Backsplash is designed for restaurants, foodservice operations, and commercial kitchen workstations. Constructed from 430 stainless steel with a silver finish, it measures 60" (L) x 1" (W) x 5" (H). The backsplash features 18-gauge stainless steel construction suitable for commercial kitchen use.

This removable backsplash is compatible with undercounter coolers, freezers, worktables, and enclosed cabinets. It is intended for use across various commercial kitchen equipment used in food preparation, storage, and service areas.

The unit features a removable and bolt-on installation type with a pre-drilled design. This structure supports attachment to compatible equipment while allowing removal for cleaning or maintenance activities.

Anti-corrosion and water-proof features are included for commercial kitchen environments exposed to moisture and routine washing. The backsplash is NSF Listed and includes a 1-year warranty by the manufacturer.
