 Includes 4 casters with 2 brakes for positioning within commercial kitchen layouts.
- Warranty Coverage**
 Includes a 1-year warranty by the manufacturer for parts and labor.

PRODUCT OVERVIEW

The ChillCore Series Refrigerated Merchandiser for Sandwiches is a freestanding open air / refrigerated unit designed for commercial kitchens, sandwich bars, cafés, and food retail environments. It operates on 115 V, 1 phase, 60 Hz with a 9 A electrical load and uses dual cooling systems to support temperature control across the display area.

The structure is made from stainless steel and glass in a silver finish with double tempered glass panels. It features a rectangular design measuring 70.8" (W) x 33.2" (D) x 59.4" (H), suitable for commercial floor-based food display setups. Rear sliding doors with 2 sets of doors at the back support loading and organized food arrangement in service operations.

Temperature is maintained between 35.6°F and 50°F through 2 digital temperature controllers with display. The system includes automatic temperature regulation across the cooling zones and supports consistent refrigerated operation for sandwich and ready-to-serve food display.

This unit includes LED lighting at the top, under the shelf, and internal back and light board for full visibility of displayed food items. It is supported by 4 casters with 2 brakes for movement and positioning. The display case is cETLus Listed, ETL Sanitation Listed, and NSF Certified and includes a 1-year warranty by the manufacturer.
