1 Year Warranty

SPECIAL FEATURES

- ✓ **High Output**
Delivers 60+ cups per hour, supporting continuous hot water demand in a commercial kitchen or restaurant setup.
- ✓ **Adjustable Control**
Features an adjustable knob with manual temperature control, allowing chefs to set temperatures between 140°F and 200°F.
- ✓ **Compact Design**
Measures 6.3" x 6.7" x 10.7", supporting installation in limited under sink spaces within food service areas.
- ✓ **Durable Materials**
Constructed with brass, copper, and stainless steel, including a stainless steel tank suited for frequent food handling use.
- ✓ **Dual Settings**
Includes two programmed settings, supporting simple operation during repetitive kitchen tasks.
- ✓ **Warranty Coverage**
It includes a 1-year warranty by the manufacturer, along with a bottom access design for maintenance.

PRODUCT OVERVIEW

The ChefPro Series Hot Water Dispenser is an electric unit designed for chefs and staff in a commercial kitchen requiring controlled hot water output. It operates on 110 V with 60 Hz and uses 1300 W power, supporting steady heating for food handling tasks. The unit features manual temperature control with an adjustable knob and includes two programmed settings for simple operation.

This compact hot and cold style dispenser has a capacity of 2.5 qt and delivers an output of 60+ cups per hour, supporting high-frequency usage in restaurant environments. The temperature range spans from 140°F to 200°F, providing flexibility for different kitchen requirements. Its under sink installation type supports organized workspace layouts.

Constructed with brass, copper, and stainless steel materials, the unit includes a stainless steel tank for durability in commercial kitchen conditions. The silver finish aligns with standard kitchen equipment aesthetics. It also comes with a polished chrome dual-lever faucet, supporting controlled dispensing.

The dispenser measures 6.3" (W) x 6.7" (D) x 10.7" (H) and features a bottom access design for maintenance access. The wall mount mounting style supports fixed installation. It includes a 1-year warranty by the manufacturer.
