PRODUCT OVERVIEW

The ProKitchen Series Removable Backsplash is designed for restaurants, catering facilities, and commercial kitchen food preparation areas. Constructed from 430 stainless steel with a silver finish, it measures 96" (L) x 1" (W) x 5" (H). The backsplash features 18-gauge stainless steel construction suitable for commercial kitchen environments.

This removable backsplash is compatible with undercounter coolers, freezers, worktables, and enclosed cabinets. It supports use across a wide range of commercial kitchen equipment used for food preparation, storage, and service workflows.

The unit features a removable and bolt-on installation type with a pre-drilled design. This structure supports attachment to compatible equipment while allowing removal for cleaning or maintenance requirements.

Anti-corrosion and water-proof features are included for commercial kitchen environments exposed to frequent washing and moisture. The backsplash is NSF Listed and includes a 1-year warranty by the manufacturer.
