1 Year Warranty

SPECIAL FEATURES

- High Ice Output**
 Produces up to 100 lb of cube ice every 24 hours for restaurant beverage stations, commercial kitchen operations, and home bars.
- Adjustable Ice**
 The unit produces 36 cubes per cycle with thick and thin adjustable ice thickness for different serving preferences.
- Certified Design**
 ETL certification reflects compliance with applicable commercial equipment safety standards for food service applications.
- Built-in Storage**
 The 30 lb ice storage bin keeps ice available for beverage service and food handling throughout operation.
- Simple Controls**
 A LED display and LED control panel provide clear operating information for chefs and food service staff.
- Manufacturer Warranty**
 It includes a 1-year warranty by the manufacturer.

PRODUCT OVERVIEW

The ChefPro Series Undercounter Ice Maker is a freestanding ice maker designed for home bars and restaurant beverage service. It features a stainless steel body with a silver and black finish that suits a variety of commercial kitchen and bar settings. It produces up to 100 lb of cube ice in 24 hours, providing a consistent ice supply for beverage preparation and food service.

The unit includes a 30 lb built-in storage bin, offering space for ready-to-use ice during daily operation. It produces 36 ice cubes per cycle, and the adjustable thick and thin ice thickness setting allows ice size selection based on serving requirements. The self-cleaning function supports routine maintenance.

A LED display provides clear operating information, while the LED control panel offers straightforward operation. The ice maker operates within a temperature range of 50°F to 100.4°F, making it suitable for recommended installation environments. Cyclopentane foam insulation surrounds the storage bin, and the low-noise operation supports indoor use in restaurants and home bars.

This freestanding unit measures 15.16" (L) x 15.75" (W) x 29.88" (H) for placement beneath counters or in beverage stations. It includes an ice scoop, water inlet hose, drain hose, and adapter for installation. The ice maker is ETL certified and includes a 1-year warranty by the manufacturer.
