- ✓ Sturdy Build

Stainless steel construction with silver finish offers long-lasting performance.
- ✓ Efficient Cooling

R-290 refrigerant with 4.93 oz capacity offers reliable cooling for high-volume operations.
- ✓ Accessible Doors

Three left/right-hinged solid swing doors provide smooth access while keeping contents secure.
- ✓ Low-Maintenance Operation

Auto-defrost function simplifies upkeep and reduces downtime.

PRODUCT OVERVIEW

The ChillCore Series CCPT90 Pizza Prep Table is a premium commercial kitchen solution designed for pizzerias, restaurants, and catering operations. Constructed from stainless steel exterior and interior and finished in sleek silver, this prep table offers long-lasting use. Perfect for prepping pizzas, salads, and fresh ingredients, it features a hinged top lid with ample capacity for 12 1/3-size pans.

This unit operates using digital temperature control and an LED display, maintaining a consistent range of 33°F to 41°F. It runs on 115V, 60 Hz with a NEMA 5-15P plug, drawing 8.5 amps with 1/2 HP refrigeration. R-290 refrigerant with a 4.93 oz capacity provides reliable cooling, while auto-defrost reduces maintenance efforts. The interior includes three adjustable shelves, offering flexible storage and easy ingredient management.

Measuring 90.37" (W) x 31.5" (D) x 43.87" (H), this freestanding table includes six casters that provide smooth mobility. The three left/right-hinged solid swing doors allow effortless ingredient retrieval. Certified ETL Listed, ETL Sanitation Listed, and NSF Listed, this commercial pizza prep table is backed by a 6-month warranty.
