PRODUCT OVERVIEW

The CoolEdge Series CEMR27 commercial merchandising refrigerator is a freestanding unit with a black metal exterior and a clear glass swing door. Measuring 27.12 in (W) x 26 in (D) x 75.87 in (H), it provides 14 cubic feet of storage capacity and includes five adjustable epoxy-coated wire shelves for flexible product arrangement.

A bottom-mounted 1/5 HP compressor uses R290 refrigerant to support a temperature range of 33°F to 41°F. The auto defrost system reduces frost buildup, while the digital control type with LED display allows monitoring and adjustment of the internal temperature.

Interior LED lighting enhances visibility of stored products. The single swing glass door provides clear access for merchandising purposes.

The refrigerator includes four casters, including swivel front locking casters, for both mobility and stable placement. A 9 ft power cord with NEMA 5-15P plug allows convenient installation. Certified ETL Listed and ETL Sanitation Listed, the unit comes with a 6-month parts and labor warranty and 6-month compressor coverage.
