WARRANTY

1 Year Limited Warranty

SPECIAL FEATURES

- **Fixed-Speed Design**
  The fixed-speed compressor type reflects the specification provided for controlled refrigeration operation in commercial kitchen equipment.
- **Standard Voltage**
  The 115 V and 60 Hz electrical ratings match common power setups used in restaurant refrigeration systems.
- **Freezer Compatibility**
  Designed to fit 27" freezer models as listed, supporting proper integration during equipment servicing.
- **Higher Horsepower**
  The 3/4 HP rating aligns with the listed usage across reach-in and undercounter refrigeration equipment.
- **R290 Refrigerant**
  The compressor is specified for R290 refrigerant systems used in commercial refrigeration environments.
- **Warranty Coverage**
  It includes a 1-year warranty by the manufacturer, supporting maintenance planning for foodservice operations.

PRODUCT OVERVIEW

The Medal Equipment fixed-speed compressor is designed for commercial kitchen refrigeration applications, supporting reach-in refrigerators, undercounter refrigerators, prep tables, and bottle coolers used in food handling environments. It is intended for replacement or service use within listed equipment types.

This compressor operates at 3/4 HP with a 115 V power requirement and a 60 Hz electrical frequency. These specifications align with standard electrical configurations commonly used in commercial kitchen refrigeration systems.

The unit uses R290 refrigerant and is specified for systems designed around this refrigerant type. It is listed as compatible with 27" freezer models, supporting correct equipment matching during installation.

Supplied as a compressor component, this unit features a fixed-speed compressor type. It includes a 1-year warranty by the manufacturer, supporting scheduled maintenance planning in commercial kitchen operations.
