WARRANTY

Parts & Labor: 1 Year
Compressor: 5 Year

SPECIAL FEATURES

- Wide Display Capacity**
Provides a 27 cb3 capacity for horizontal chilled merchandising in supermarkets and commercial food retail environments.
- Digital Temperature Control**
Digital thermostat maintains a controlled temperature range of 30.2°F to 44.6°F.
- Flexible Installation**
Casters and adjustable leveling feet support freestanding installation in retail layouts.
- Dual Compressor System**
Equipped with (2) 1 HP compressors for refrigeration performance in high-demand retail applications.
- LED Shelf Lighting**
LED lighting per shelf supports product visibility in commercial merchandising applications.
- Certified Refrigeration System**
The unit is certified to cETLus, ETL Sanitation, and NSF standards and includes a 1-year parts and labor warranty by the manufacturer with a 5-year compressor warranty.

PRODUCT OVERVIEW

The ProKitchen Series Horizontal Air Curtain Merchandiser is designed for supermarkets, hypermarkets, and commercial food retail environments requiring wide-format chilled display storage. It provides a 27 cb3 capacity and operates with a dual compressor system rated at (2) 1 HP. The unit maintains a temperature range of 30.2°F to 44.6°F using R-290 refrigerant and an air-cooled condenser system. Its dimensions are 76.2" (W) x 27.6" (D) x 78.7" (H).

The ProKitchen Series Horizontal Air Curtain Merchandiser operates on 220 V, single-phase power at 60 Hz with a current draw of 16.3 A. It uses a NEMA 6-30P plug and includes a 45-inch power cord. Digital temperature control and a digital thermostat manage refrigeration settings for commercial kitchen and retail applications. The freestanding design includes adjustable leveling feet and casters with a 1.2-inch size.

The ProKitchen Series Horizontal Air Curtain Merchandiser includes adjustable shelves with LED lighting per shelf and shelf tag holders for structured product display. A night curtain is integrated for covering during non-operational hours. The unit features a finned evaporator and automatic defrost system. Foamed-in-place polyurethane insulation is incorporated into the cabinet structure for thermal stability.

The ProKitchen Series Horizontal Air Curtain Merchandiser is constructed with painted steel interior and exterior in a white finish suitable for retail merchandising environments. The interior dimensions include a height of 44.6 inches, width of 73.8 inches, and depth of 17.8 inches. The unit is certified to cETLus, ETL Sanitation, and NSF standards and includes a 1-year parts and labor warranty by the manufacturer along with a 5-year compressor warranty.
