SPECIAL FEATURES

- LED Lighting**
LED lighting provides clear visibility for refrigerated food and beverage displays in commercial kitchen environments.
- Digital Control**
The digital thermostat maintains a refrigerated temperature range of 33°F to 40°F.
- Display Features**
A night curtain, drain pan heater, and price tag strip support refrigerated merchandising and food presentation.
- Adjustable Shelves**
Four adjustable coated steel shelves support organized placement of grab-and-go food and beverage items.
- Bottom Compressor**
The bottom-mounted refrigeration system is paired with R-290 refrigerant and automatic defrost operation.
- Warranty Coverage**
It includes a 1-year parts and labor warranty and a 5-year compressor warranty by the manufacturer.

PRODUCT OVERVIEW

The ProKitchen Series 28" Open Air Merchandiser is designed for cafés, convenience stores, restaurants, and commercial kitchen grab-and-go displays. It features an 11 cubic feet capacity with a vertical open-air refrigeration design for chilled food and beverage merchandising. The black coated steel exterior complements a variety of commercial display areas.

LED lighting provides visibility for displayed items. The unit includes four adjustable coated steel shelves, a night curtain, drain pan heater, and price tag strip for organized merchandising. The coated steel interior supports refrigerated food display applications.

This freestanding merchandiser operates on 115 volts, 12.2 amperes, and 60 hertz. It uses R-290 refrigerant, foamed-in-place polyurethane insulation, automatic defrost, and a bottom-mounted refrigeration system. The digital thermostat maintains a temperature range of 33°F to 40°F, with a maximum ambient temperature of 75°F.

The unit is supplied without casters and includes a 98-inch power cord with a NEMA 5-15P plug. Overall dimensions are 27.6" (L) x 28.4" (W) x 79.5" (H), with an interior size of 26.3" (W) x 21.9" (D) x 52.6" (H). It includes a 1-year parts and labor warranty and a 5-year compressor warranty by the manufacturer. The merchandiser is certified by cETLus.
