PRODUCT OVERVIEW

The IceVault Series Chef Base Refrigerator IVCBR72 is ideal for commercial kitchens in restaurants, hotels, and catering operations. It offers 14 cubic feet of refrigerated storage with four drawers, providing organized storage and easy access to ingredients during busy service hours. The exterior is constructed from stainless steel and aluminum, while the interior is made of stainless steel for durable, long-lasting use.

This commercial 72" chef base refrigerator maintains a temperature range of 33°F to 40°F. It features electronic controls for precise temperature management. The unit uses R290 refrigerant and a 3/7 HP compressor for reliable cooling. It operates on 115 V, 1-phase, 60 Hz power, drawing 6.5 A. It comes with a NEMA 5-15P plug for easy installation.

This chef base refrigerator features an easy-to-clean condenser coil for simple maintenance. Its 4 casters provide convenient mobility within the kitchen. This commercial chef base refrigerator measures 72.4 in (W) x 32.1 in (D) x 25.9 in (H). It is ETL listed and ETL sanitation listed for commercial compliance and comes with a 1-year parts and labor warranty and a 1-year compressor warranty.
