1 Year Warranty

SPECIAL FEATURES

- Stable Chill Zone**
 The 36°F to 46°F operating range keeps refrigerated pastries and bakery items within safe food-holding temperatures throughout a full service shift.
- Easy Daily Cleaning**
 The front glass panel swings up to open, giving staff direct access to the interior and reducing the time needed for end-of-day cleaning routines.
- Efficient Power Draw**
 Operating at 410 watts and 4 amperes on a standard 110V circuit, this display case fits within typical commercial kitchen electrical loads without a dedicated high-amperage circuit.
- Low Counter Footprint**
 At 35.4" wide and 26.8" deep, this freestanding display case fits into tight front-of-house or service counter layouts without consuming excessive floor space.
- ETL and DOE Certified**
 ETL Listed, ETL Sanitation Listed, and DOE Compliant certifications confirm the unit meets recognized commercial food safety and energy efficiency standards.
- Covered by Warranty**
 Each unit includes a 1-year warranty, providing a defined period of coverage for a commercial kitchen's capital equipment investment.

PRODUCT OVERVIEW

The Frigomax Series refrigerated bakery display case is a freestanding straight-glass unit designed for commercial kitchens, bakeries, cafés, and restaurants that need to merchandise chilled baked goods, pastries, and desserts at a consistent temperature.

The cabinet holds 16.7 cubic feet of display space and maintains a temperature range of 36°F to 46°F, keeping refrigerated items at safe holding temperatures throughout a service day. Automatic defrost manages frost build-up without manual intervention, and the R-290 refrigerant operates at 410 watts and 4 amperes on a 110V/60Hz supply a relatively low power draw for a unit of this capacity.

The straight-glass front is constructed with double tempered glass panels, offering clear sightlines for customers while the stainless steel interior supports routine cleaning. The front glass swings up for easy cleaning access, and leg levelers are included to keep the unit stable on uneven floors. At 26.8" (D) x 35.4" (W) x 55.1" (H), the footprint fits into front-of-house or service counter layouts without requiring a large floor area.

Built-in LED lighting illuminates displayed items evenly. The unit carries ETL Listed, ETL Sanitation Listed, and DOE Compliant certifications, meeting commercial food safety and energy standards relevant to restaurant and foodservice operations. A 1-year warranty is included with each unit.
