- ✓ **Flexible Shelf Layout**
Adjustable style supports repositioning across 5 shelves.
- ✓ **Ventilated Structure**
Vented style supports airflow across stored items.
- ✓ **Warranty Coverage**
Includes a 1-year limited warranty, offering reliable protection.

PRODUCT OVERVIEW

The ChefPro Series CPCS18x36 Shelving Kit is ideal for dry storage areas, front-of-house spaces, garages, kitchens, retail environments, stock rooms, and warehouses needing organized product placement. Made from metal wire in a silver color with a chrome finish, it features a 1500 qt capacity and a size of 18" x 36" suited for commercial storage needs.

This adjustable, stationary, vented style kit includes 5 shelves designed to support airflow and visible product access. Overall dimensions measure 72 in (H) x 18 in (W) x 36 in (D), offering vertical storage that helps maximize space in tight or high-volume areas. The shelving layout supports flexible positioning for various stock types and equipment.

NSF Listed construction aligns with commercial storage standards for professional environments, and the stationary build fits smoothly into long-term setups across multiple use locations. Built for routine organizational tasks, this shelving kit includes a 1-year limited warranty for reliable protection during regular operation.
