Compressor & Parts on
Remote Refrigeration
Unit**

SPECIAL FEATURES

- Remote Refrigeration**
 The remote refrigeration system is designed for commercial kitchen refrigerated storage applications.
- Solid Swing Door**
 The solid swing door includes self-closing and flush-mounted features for restaurant refrigeration access.
- Galvanized Steel Panels**
 The white galvanized steel construction with 24-gauge panels is suited for walk-in cooler installations.
- Indoor/Outdoor Use**
 The walk-in cooler is specified for indoor and outdoor commercial foodservice installations.
- Certified Construction**
 UL Listed US, NSF Listed, and DOE certifications are included for commercial refrigeration applications.
- Polyurethane Insulation**
 The polyurethane insulation with 4" thickness and R-28 thermal resistance supports temperature-controlled food storage.
- Keyed Door Lock**
 The keyed lock supports controlled access in commercial food handling and storage areas.
- Included Components**
 The unit includes a condensing unit and evaporator for refrigeration setup in commercial kitchens.
- Modular Panel Design**
 The modular cam-lock and tongue & groove system supports cooler panel assembly.
- Warranty Coverage**
 It includes a 10-year panel warranty, 1-year parts warranty on doors, and 1-year compressor & parts warranty on the remote refrigeration unit by the manufacturer.

PRODUCT OVERVIEW

The PolarBox Series walk-in cooler is designed for commercial kitchen and restaurant refrigerated storage applications. It features white galvanized steel construction with 24-gauge panels and polyurethane insulation. The unit measures 138" (W) x 217" (D) x 87" (H) with 4" insulation thickness and R-28 thermal resistance for refrigerated storage environments.

The PolarBox Series walk-in cooler includes a remote refrigeration system with a thermostatic expansion valve and liquid line solenoid valve (TXV/TEV). The unit operates on 208/230 V, 1 phase power at 60 Hz with a hardwired electrical connection. A condensing unit and evaporator are included for commercial refrigeration installation.

The PolarBox Series walk-in cooler features one solid swing door with a 77" door height, keyed lock, self-closing function, and flush-mounted design. The modular cam-lock and tongue & groove hinge system supports panel assembly. The unit includes a standard galvanized steel floor for indoor or outdoor commercial foodservice installations.

The PolarBox Series walk-in cooler is proudly made in America and carries UL Listed US, NSF Listed, and DOE certifications. This 12 ft nominal width and 18 ft nominal depth cooler includes a 10-year panel warranty, 1-year parts warranty on doors, and 1-year compressor & parts warranty on the remote refrigeration unit by the manufacturer.
