SPECIAL FEATURES

- ✓ Ample Capacity**
 17 cu. ft. holds up to 288 bottles or 432 12 oz. cans, supporting versatile beverage organization.
- ✓ Easy Access**
 Two solid sliding lids allow convenient reach to contents while maintaining cold temperatures.
- ✓ Reliable Cooling**
 Maintains 33°F to 40°F with a 1/2 HP compressor using R290 refrigerant.
- ✓ Stable Design**
 Freestanding design without casters keeps the cooler steady in busy environments.
- ✓ Warranty Protection**
 1-year parts and labor and 1-year compressor coverage offer reliable operation.
- ✓ Durable Construction**
 Vinyl-coated steel exterior with a black finish and stainless steel top, interior walls, floor, and ceiling provide durability and resistance to daily commercial wear.
- ✓ Secure Locking**
 Keyed lock restricts access to protect stored beverages.
- ✓ Organized Interior**
 Includes removable bottle cap opener, cap catcher, and adjustable dividers for orderly beverage arrangement.
- ✓ Certified Compliance**
 ETL Listed and ETL Sanitation certified for commercial foodservice standards.

PRODUCT OVERVIEW

The IceVault Series IVBC64 Bottle Cooler is designed for bars, restaurants, and catering operations that need organized, efficient cold storage for beverages. With 17 cu. ft. capacity, it holds up to 288 bottles or 432 12 oz. cans, providing ample storage for busy beverage service.

Constructed with an aluminum interior, black vinyl-coated steel exterior, and stainless steel lids, this cooler is built to last and easy to clean. The two solid sliding lids include a keyed lock for secure storage and come with a removable bottle cap opener, cap catcher, and adjustable dividers for an organized interior.

Measuring 64.5 (W) × 28 (D) × 34.2 (H) inches, the freestanding cooler features a stable placement without casters and operates on a 1/2 HP compressor with R290 refrigerant, maintaining a reliable cooling range of 33°F to 40°F. It runs on 115 V, 1 phase, 60 Hz, drawing 2.5 A with a NEMA 5-15P plug for standard connections.

The cooler is certified safe, meeting ETL Listed and ETL Sanitation standards, and comes with warranty coverage of 1-year parts and labor and 1-year compressor, offering dependable performance in daily commercial use.
