- ✓ Mobility & Stability**
 Four swivel casters with locks for easy movement and stability.
- ✓ Safety Certified**
 ETL Listed and ETL Sanitation certifications ensure compliance with commercial kitchen safety.
- ✓ Warranty Protected**
 Includes 6-month parts and labor warranty and 6-month compressor warranty.

PRODUCT OVERVIEW

The CEPT70 commercial pizza prep table from CoolEdge series is a 2-door stainless steel unit ideal for commercial kitchens and food preparation areas that require organized ingredient storage. Measuring 70 in (W) x 31.5 in (D) x 43.88 in (H), it holds nine 1/3 size pans on the top and includes two adjustable coated wire shelves inside. Solid swing-style doors with recessed handles provide secure access to stored ingredients.

A bottom-mounted 1/4 HP compressor uses R290 refrigerant to maintain a temperature range of 33°F to 41°F. The unit operates on 115 V, 60 Hz, single-phase power through a NEMA 5-15P plug with a 6 ft power cord. Auto defrost reduces frost buildup and manual upkeep.

Digital controls with an LED display allow precise temperature management. The solid doors support secure storage, while the top provides preparation space with direct pan access.

The pizza prep table includes four 5 in swivel casters with locks for mobility and stable placement. Certified ETL Listed and ETL Sanitation, it meets commercial safety and sanitation standards. Warranty coverage includes 6 months parts and labor and 6 months compressor protection.
